To Whom It May Concern;

Chris Roach has committed to running “The Cycle Strongman Expedition” event in support of Oxfam Australia, where he aims to cycle around the globe in eight years (covering Australia, Asia, the Middle East, Europe, Africa and the Americas). Funds raised from sponsorship will be donated to Oxfam Australia.

Oxfam Australia works in 26 countries around the world including Indigenous Australia. Oxfam Australia's vision is of a fair world in which people control their own lives, their basic rights are achieved and the environment is sustained. The aims of Oxfam Australia are to increase the number of people who have a sustainable livelihood, access to social services, an effective voice in decisions, safety from conflict and disaster, and equal rights and status.

Chris has not only committed to a very challenging and extraordinary adventure, but also to fundraise a significant amount of income for Oxfam Australia's work. Oxfam Australia fully supports Chris's venture and any form of assistance you may be able to give him will be highly appreciated.

Kind regards,
